ENHANCEMENTS

Elevate your results with individual vitamins, minerals, antioxidants + more

SINGLES

B12

Methylcobalamin is a natural form of B12 most easily used by the body without depleting antioxidant stores

Biotin

A coenzyme essential for healthy skin, hair, nails + nervous system function

Super C

Super boost of immune-enhancing antioxidant Vitamin C

Mega D

50,000IU replenishes for up to a year in a single dose

Glutathione

The mother of all antioxidants! Found in every cell, this powerhouse is restorative, healing + detoxifying

Lysine

An amino acid that aids in building muscle, improving immunity + healing

Magnesium

Helps reduce symptoms of asthma, anxiety, + PMS. Regulates blood pressure. Improves bone strength + heart health

BLENDS

B-Complex

Includes Thiamine, Riboflavin, Niacin, Pantothenic Acid, + Pyroxidine

Lipo-B (MIC B12)

Get a fat-blasting boost with lipotropic amino acids methionine, inositol, + choline

Amino Blend

Known as the building blocks of protein, this blend contains Glutamine, Arginine, Ornithine, Lysine, Citrulline + Carnitine

Mineral Blend

Magnesium, Zinc, Manganese, Copper + Selenium

Relax

GABA, Magnesium, Taurine and Theanine

EXTRAS

Hydration Boost

An extra 500mL of Normal Saline or Lactated Ringers to supercharge hydration

Pain Rx

Non-narcotic, anti-inflammatory pain medicine for rapid relief

Nausea Rx

Save your day with non-drowsy anti-nausea medicine
